

Circuit Rider Technician

The Alaska Energy Authority (AEA), a public State of Alaska corporation, is recruiting for a Circuit Rider Technician (PCN 08-X003) position. This is a regular full time position, Range 20, located in Anchorage. This position offers a competitive salary plus State of Alaska employee benefits including 1.75 days leave accrual per month, 11 paid holidays, health benefits and retirement plan.

This position assists in providing technical assistance and training in rural Alaska on diesel generation systems, alternative energy systems and fuel storage facilities. This position requires frequent travel to communities throughout Alaska.

For a complete position description and employment application visit AEA's website at www.akenergyauthority.org. Send application and resume to Human Resources, 813 W. Northern Lights Blvd., Anchorage, AK 99503, by fax to (907) 771-3946, or by email to hr@aidea.org.

Application and resume must be received no later than 5:00 p.m. on Thursday, November 10, 2016. **An employment application is REQUIRED in order to be considered for the position.**

The state of Alaska is an EEO/ADA employer. Individuals requiring accommodations should call 1-800-587-0430 or 465-4095 in Juneau or (907) 465-3412 (TTY).
